UNIVERSITY INITIATIVES FOR  
DIVYANGJAN STUDENTS AND  
STAFF

# KIBO XS KIT: ENHANCING ACCESSIBILITY AND EFFICIENCY

St. Joseph's University is committed to providing an inclusive and accessible environment for all Divyangjan students and staff. Our university is pleased to offer the Kibo XS Kit, a cutting-edge facility that converts hardcopy printed and handwritten documents into accessible digital formats at our library. With this innovative tool, users can listen to, translate, digitize, or audio'tize™ their documents, promoting inclusivity and efficiency. This facility is particularly beneficial for users with visual impairments or reading difficulties, and it also streamlines document processing, saves time, and preserves valuable documents digitally.

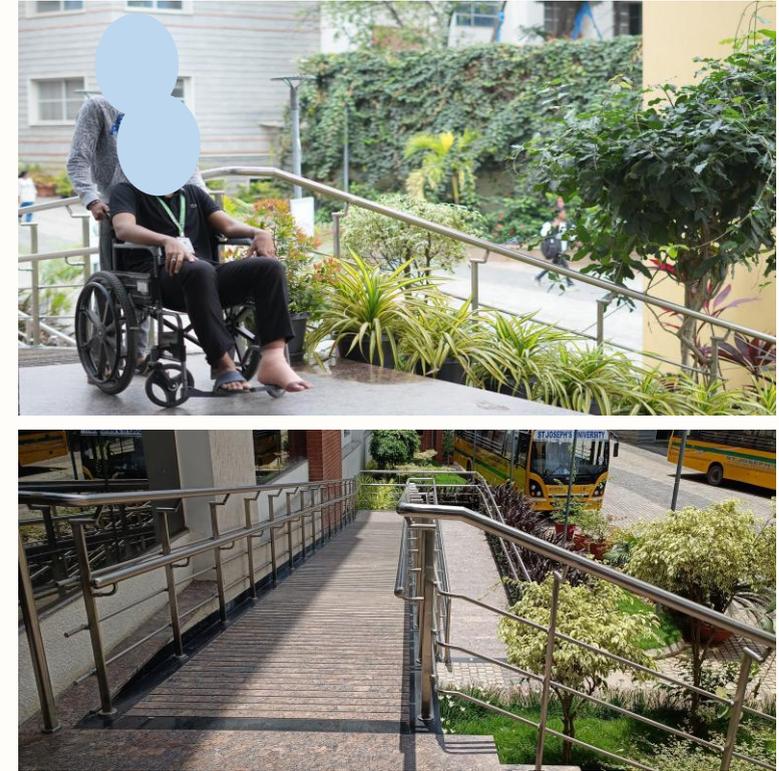

## AVAILABILITY OF LIFTS FOR EASY ACCESSIBILITY

To facilitate easy movement within the campus, lift facilities are available in various blocks, ensuring easy access to classrooms, laboratories, Canteens and other facilities. Notably, the lift pads feature Braille entries aside the numbers, enabling Divyangjan students and staff to navigate the lifts independently.

# RAMP FACILITIES

Our institution has installed ramps at strategic locations to facilitate easy access for specially challenged students. The ramps provide smooth and safe passage for students with mobility impairments, ensuring equal access to all areas of the campus.

# SKYWALK AROUND THE CAMPUS

Our institution prioritizes student safety and convenience with the provision of a dedicated skywalk, facilitating easy and secure movement across the campus.

# UNIQUE INITIATIVE WITHIN OUR FOOD COURT

## MITTI Cafe

Our institution takes pride in promoting inclusivity and empowerment through the "MITTI Cafe", a unique initiative within our food court where specially challenged individuals are employed, fostering a culture of diversity, equality, and social responsibility.

# TOILETS FOR DIVYANGJAN STUDENTS

1

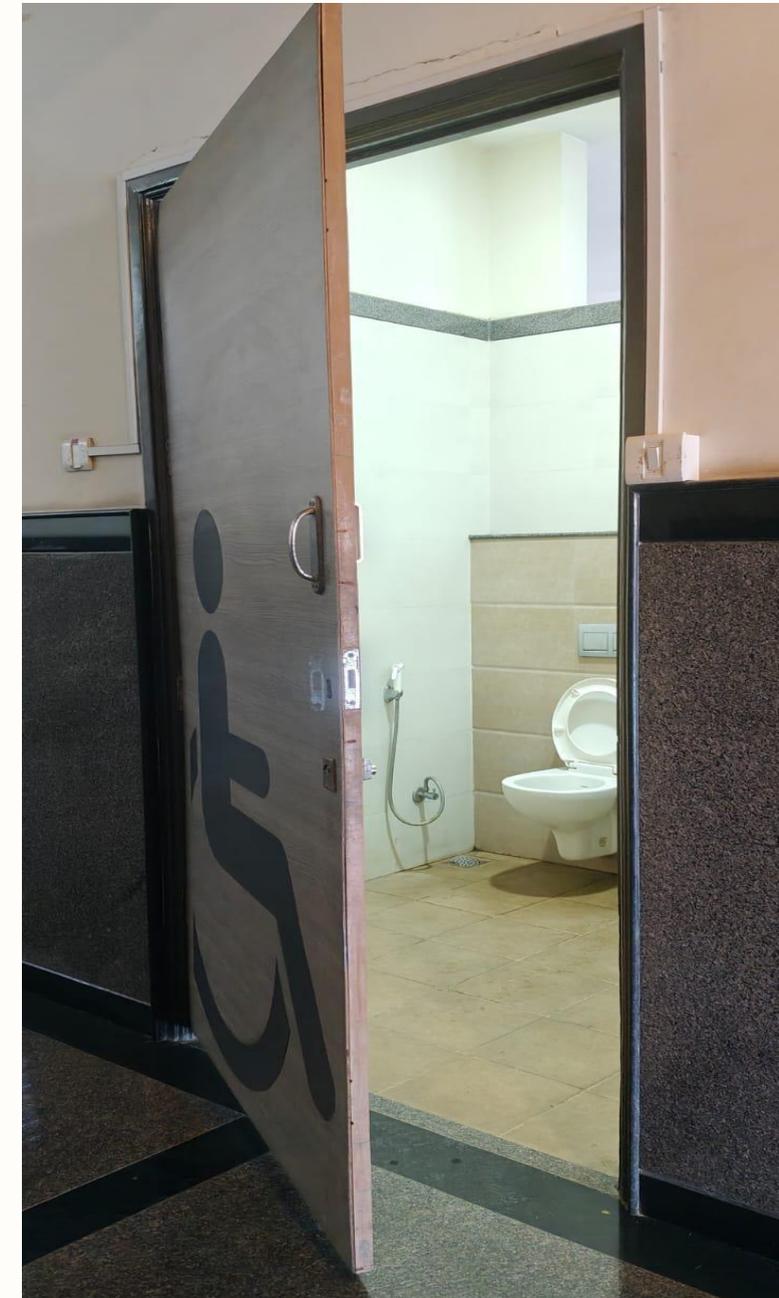

Our institution has designated toilets for specially challenged students, ensuring their comfort, dignity, and independence.

2

These toilets are strategically located and easily accessible, minimizing barriers for students with mobility impairments.

3

Toilets are designed with wide doors and ample space to accommodate wheelchairs.

# BLIND WALK 2023

St. Joseph's Outreach, in collaboration with The Project Vision, organized the 'Blind Walk 2023' on World Sight Day, October 21st, 2023. The event aimed to raise awareness about eye donation and the challenges faced by the visually impaired. Over 700 students participated, walking blindfolded in solidarity with 15 visually impaired individuals. The event concluded with a pledge to promote eye donation and bring hope and clarity to those in need.
