Implementation of Credit Structure (3+3+1) for the Final Year - Undergraduate Programmes with three major combinations (Batch 2024-2027)

As per the resolution Ref: AC 5.1 dated June 19, 2024, the University has implemented the curriculum framework, which has three major subjects up to the fourth semester, followed by the specialisation in one of the subjects in the final year (3+3+1), for all BA and BSc Programmes (except for the BA in Visual Communications).

All students are hereby informed that they can opt for a single major from the combinations of subjects they have enrolled in. The opted choice will be offered to the students based on their interests, aligning with their career choice. Hence, we request that you make informed choices about the subject you would prefer for the final year.

The process of opting for a single major will be released in the second week of January 2026.

To,

All UG Final Year B.A. & BSc. Students with three major combination programmes
(Batch 2024-27) of the University.
