Notice regarding free distribution of Albendazole deworming tablets for all SJU staff and students

Albendazole 400 mg, a deworming tablet will be distributed free of cost to the staff and students of our University. The Bruhat Bengaluru Mahanagara Palike (BBMP) has taken this initiative to prevent intestinal or parasitic worm infections like neurocysticercosis, cystic hydatid disease, etc.

The tablets can be collected from the University Health Center in the Arrupe Block, ground floor.

Registrar

To,
All staff and students of the University
