Notice to IV Semester Undergraduate Students (Except B.Voc.)

All IV semester undergraduate students (except B.Voc. students) whose hall tickets were withheld due to attendance shortages are permitted to attend the V semester of 2025-26. These students may directly apply for the supplementary examination during the even semester of 2025-26 whenever it is announced by the Controller of Examinations. This provision is extended to them because their academic structure is aligned with the National Education Policy implemented in 2021, which has changed since the academic year 2024-25 following the introduction of the State Education Policy. Consequently, although they need to repeat the semester, they will not be able to do so since the structure is different from that to which they were originally enrolled.
