## NOTIFICATION

### **Sub: 4th Year Honours Programme during the Academic Year 2026–27 for Undergraduates with 3-Year Bachelor's Degree – reg.**

The University is pleased to announce the admissions for the **4th Year Honours Programme** for the **Academic Year 2026–27**, in line with the guidelines of the National Education Policy (NEP) 2020. This opportunity is extended to students who have successfully completed a 3-year undergraduate Bachelor's degree and wish to pursue an **Honours degree** by completing two additional semesters (4th year).

The University offers the 4th-year Honours programme in the following disciplines: **Chemistry, Computer Science, Physics, and Psychology.**

1. All students from the 2022 and 2023 batches who have studied any of these subjects under the two-major system during their three-year Bachelor's programme are eligible for admission.
2. Students from the 2022 and 2023 batches who have studied a discipline related to any of the above-mentioned subjects are also eligible for the 4th year, provided they have completed at least 24 credits in the subject they intend to pursue for the Honours year.
3. Lateral entry applications from students of the 2022 and 2023 batches will be considered, provided the applicants have completed the three-year Bachelor's programme.
4. For the SJU student's Admission guide, Letter of Undertaking for SJU student, Application for Non-SJU students and Fees Details, follow the link :
