## ST JOSEPH'S UNIVERSITY

SJU/RO/STU/11/2022-23

04<sup>th</sup> December, 2023

### **Notification to all II and IV Semester Undergraduate students to select open elective -reg.**

All II and IV Semester students (except B. Voc. And Shift III students) have to complete a **three-credit open elective course** during the even semester of 2023 - 24. This is a course completion requirement. Students should opt for any **ONE** of the following courses provided they choose a course with the following conditions:

- The open elective chosen is not that offered by the department of their discipline core subject.
- Students are not permitted to opt for the open electives studied by them in the previous semester (Please verify by the title of the course and not by the paper code).

The option to select the open electives will be available on the student (Linways) **portal**, as per the following schedule

- II semester students can opt for Open Elective from 21st December, 2023, 6 pm onwards and the portal will be kept open till 26th December, 2023 6pm.
- IV semester students can opt for Open Elective from 22nd December, 2023 6 pm onwards and the portal will be kept open till 26th December, 2023 6pm.

Please note that there will be a cap on the number of students opting for a particular course. The seats will be available on a first-come first serve basis. Students are advised to prioritize their top three Open Elective options and keep them handy before applying. The syllabi of all the Open Electives are available on the webpages of the respective departments.

Course material will be available on the student portal from 9<sup>th</sup> January, 2024 onwards. For all practical purposes, 9<sup>th</sup> January, 2024 will be considered as the first day of starting the Open elective courses. Students are expected to meet the deadlines to submit assignments, quizzes or other activities (if any) as stipulated by the respective course teachers.

All teachers offering open elective courses are available on the University campus in their respective departments. Students are encouraged to meet in person to clear any doubts or clarifications that they may have regarding the topics discussed in the online videos.
