**Notice regarding Open Elective courses for all
I Semester UG Students (Except B. Voc)**

All Ist Semester students except B. Voc have to complete a three-credit course as Open Elective during this semester. All shift III students will have their classes on campus and the classes for these courses are going on. All other students will have the Open Elective classes online and the content can be accessed from the students (Linways) portal. Students can opt for any of the following courses given below provided they choose a course with the following conditions:

1. The Open Elective is not offered by the department of their discipline core-subject.
2. Open Elective MTOE2- Mathematics for Physics and Chemistry can be opted by only Physical Science students whose discipline core subject is NOT Mathematics.

The list of Open Electives for Ist semester offered by various departments are listed below:

ST JOSEPH'S UNIVERSITY

Please note that there will be a cap on the number of students opting for particular course. The seats will be available on first come first serve basis. Students are advised to prioritize their top three Open Elective Options and keep handy before applying.

Course material will be available on the student portal from **12th AUGUST, 2023** onwards. For all practical purposes, 12th August, 2023 will be considered as first day of starting the Open elective courses. Students are expected to meet the deadlines to submit assignments, quiz or other activities (if any) as stipulated by the teachers of the respective course.

All teachers offering the open elective courses are available in college in their respective departments. Students are encouraged to meet them in person to clear any doubts or clarifications that they may have regarding the topics discussed in the videos.

There will be a briefing session for all students of 1st semester of shift I & shift II regarding Open Elective Classes. Details will be posted soon.
