Notice to all V Semester UG Students (Except B. Com, BBA & B. Voc)

All V semester students except (B. Com, BBA and B. Voc.) have to complete a **two-credit Skill Enhancement Course (SEC) in Cyber Security (CS)** during this semester. The following courses have been identified and will be offered on Infosys Springboard platform.

Sl. No	Skill Based Modules	Time (Hrs.)
1	Cyber Security Awareness: Key security terms and concepts	2.2
2	Cyber Security Foundation	11.5
3	Cyber Security Awareness: Exposure to security risks	1.38
4	Cyber Security Awareness: Getting started with security foundations	1.14
5	Hospital Administration and Healthcare - HMIS, IT, Law and Insurance	8.4
6	Hospital Management: 05 – Intensive Care Unit (ICU)	3.48
		28.1

All students are expected to LOGIN to Infosys Spring Board platform by **27th July, 2024**. Students can use the same login credentials (registered email ID and password) that were used for SEC course "Artificial Intelligence" offered in third semester to access the course content. If you face any issues logging in, meet Ms. Banu Jeffrey, Dept. of Computer Science, Magis block 2nd floor during lunch break (1.15- 1.40 pm) or email (banujeffrey@sju.edu.in).

Students may note that **Skill Enhancement Course** is a course completion requirement. For each of the above courses, the candidate has to go through the self-assessment and certifications. The Course completion certificate for each of the modules (total 6) have to be produced to the mentors during the last week of October, 2024. A mid-semester and final end semester examination will be conducted on campus.
