VENUE: ST JOSEPHS UNIVERSITY

# About *Seasons Nature Club*

Season's Nature Club is a student-led association at St. Joseph's University, Bengaluru, dedicated to promoting environmental awareness, sustainability, and a deeper appreciation for nature. The club engages students through interactive activities, events, and awareness campaigns that highlight ecological issues and practical ways to live more sustainably. From quizzes, clean-up drives, eco-friendly challenges, and creative competitions to collaborations with other associations, the club creates a space where students can learn, participate, and advocate for greener living. It's both a learning hub and a community for those passionate about the environment.

# About *Conservia*

Conservia 2025 is the annual intra-collegiate fest of Season's Nature Club. It provides students of St. Joseph's University a platform to participate in exciting, eco-themed competitions and activities. With this year's theme "Birds of Paradise", the fest blends fun, creativity, and awareness through events like debates, quizzes, escape rooms, mad ads, zine-making, fashion shows, and more. The aim of Conservia is to celebrate the spirit of conservation while engaging students in a vibrant, campus-wide festival that highlights both talent and sustainability.
