

St Joseph's University Triumphs at Technovanza 2025

The spirit of innovation and excellence shone brightly as the students of **St Joseph's University** marked a resounding victory at **Technovanza 2025**, a National Level IT Fest organized by **Christ Academy Institute of Advanced Studies** on **15th October 2025**. The event brought together some of the most talented young minds from across the country, creating a vibrant atmosphere filled with enthusiasm, creativity, and healthy competition.

Representing St Joseph's University, a dynamic team of students participated with great zeal and determination. The delegation included **Tuhin Adhikari, Manoj S, Anurag Att, Charles Mervin J, Jelisha, Vishnu, Aqeel Aslam, Mabel Viegas, Mohammad Rayaana Pasha, Mahesh Khadayat, Dharshan, Sagar, Ganesh, Om Kathi, Allendon X Bernard, Puspan, Ashlyn Ruth, Monisha, Vijaya Lakshmi, and Hirendar Singh**. Each participant contributed significantly, displaying their unique skills and innovative thinking across a wide range of events including **IT Quiz, Meme Making, Debugging, Paper Presentation, Hackathon, Reel Making, Debate, Poster Making, Free Fire, IPL Auction, and Treasure Hunt**.

From early morning brainstorming sessions to intense final rounds, the Josephites radiated a sense of unity, focus, and competitive spirit. Their performances reflected not only academic prowess but also creativity, adaptability, and teamwork—qualities that define the Josephite community.

The results spoke for themselves. In the **IT Quiz**, **Vishnu and Jelisha** clinched the **First Prize**, while **Aqeel Aslam and Mabel Viegas** secured the **Second Place**. The **Meme Making** event witnessed exceptional humour and design skills, with **Om Kathi and Ganesh** taking the **First Prize**, and **Dharshan and Sagar** earning the **Second Prize**. In the **Debugging** competition, **Manoj S and Tuhin Adhikari** demonstrated outstanding technical precision to bag the **Second Place**. The **Paper Presentation** event saw a remarkable performance by **Mohammad Rayaana Pasha and Mahesh Khadayat**, who impressed the judges with their innovative ideas and in-depth analysis, earning them the **First Prize**. Creativity continued to shine in the **Reel Making** competition, where **Aqeel Aslam, Mabel Viegas, and Ashlyn Ruth** won **Second Place**, capturing the essence of modern storytelling through visuals.

The event also featured an inspiring address by **Fr. Anthony Davis**, Principal of Christ Academy, who encouraged participants to continue exploring new dimensions of technology, creativity, and research. His words served as a reminder that innovation thrives where curiosity and perseverance meet.

After a series of thrilling rounds and intense competition, **St Joseph's University** emerged victorious, proudly clinching the **Overall Championship** at **Technovanza 2025**. The achievement was met with great celebration and pride among the students and faculty, as it stood as a reflection of the University's commitment to academic excellence, leadership, and holistic development.

This triumph is more than just a victory in an intercollegiate fest—it is a symbol of the Josephite spirit that believes in collaboration, dedication, and innovation. The students' remarkable performance highlighted not only their technical and creative capabilities but also their ability to work as a cohesive team, supporting one another through every challenge.

The success at Technovanza 2025 stands as a testament to the University's vision of nurturing young minds to think critically, act responsibly, and achieve excellence in every endeavour. It is a proud moment that will continue to inspire future Josephites to uphold this legacy of brilliance and carry forward the name of **St Joseph's University** with honour and pride.
