

# Reliance Foundation Postgraduate Scholarships

Apply By 17<sup>th</sup> December 2023

During the 2023-24 academic cycle, Reliance Foundation Scholarships will support up to 100 Postgraduate students across India.

## About the Aptitude Test

All applicants of Reliance Foundation Undergraduate Scholarships are required to complete an online aptitude test as part of their application.

The aptitude test will be a proctored, multiple-choice exam (non-adaptive). The aptitude test will be one of the components of evaluation of the candidate.

# Reliance Foundation Postgraduate Scholarships

## Aptitude test process:

- ▶ Once you have submitted your application form you will be assigned a date and time slot for your test.
- ▶ You will receive unique link to perform a practice test (optional but recommended) one week before the final test.
- ▶ You will receive an email with final exam unique link one day prior for aptitude test.
- ▶ You will be allowed to change the aptitude test date only once during the open application window.
- ▶ Scores will be directly sent to Reliance Foundation once the test is submitted.

## Aptitude Test format and content:

- ▶ Students will have 60 minutes to complete three sections (20 minutes per section) that will test applicants on the three abilities below.
- ▶ Specially-abled students will get 30 minutes extra to complete the test (10 minutes extra for each section).
- ▶ All questions are multiple-choice.

## Abilities tested:

### Verbal Ability

Tests an individual's word power ability in spotting errors, sentence completion, attributes of grammar, reading comprehension etc.

### Analytical & Logical Ability

Tests an individual's ability to analyse the given situation, break down the problem situation, identify the root cause, and provide solutions.

123

### Numerical Ability

This test is designed to test an individual's ability to solve mathematical problems using their capable reasoning skills.

## Checklist before answering the test

- ✓ Ensure stable internet connectivity with a modern web browser like Chrome, Edge, Firefox, etc. while taking the assessment.
- ✓ Perform the compatibility check and make sure your laptop/PC has the necessary requirements.
- ✓ Use a space with Broadband LAN/WIFI, Cable Fibernet.
- ✓ Avoid using mobile hotspot or USB tethering.
- ✓ Keep a Government-issued id proof document ready where your photograph and name are clearly visible

***Good Luck with your applications!***
