

**FELLOWSHIP: 22 FULLY FUNDED MARIE S. CURIE PHD POSITIONS
AT UNIVERSITY OF COPENHAGEN AND TECHNICAL UNIVERSITY
(DENMARK)**

**Up to 22 PhD positions are open in the international Marie S. Curie Doctoral
Programme ‘Interdisciplinary Marie S. Curie Action for Health’
(INTERACT).**

Research field: Chemistry, Physics, Computer Sciences and Engineering.

Eligibility requirements:

- Candidates from any nationality interested in pursuing a PhD at Technical University in Denmark.
- Candidates must hold a master’s degree in the relevant field.

Fellowship conditions:

The INTERACT fellows will receive a contract with University of Copenhagen (UCPH) or Technical University of Denmark (DTU). The contract will be for 36 months. The employment conditions will be equal to those of other PhD-researchers employed at UCPH/DTU. The terms of employment are in accordance with agreements between the Ministry of Finance and The Danish Confederation of Professional Associations on Academics in the State and include:

- Depending on seniority, the monthly gross salary begins around 30.716,02 DKK (approx. 4.118,74 EUR) plus pension as a PhD fellow.
- Full social benefits including public health care
- Right to paid holidays (five weeks plus five special holidays, on top of national holidays)
- Right to salary during own illness and child’s first two sick days
- Right to parental leave (up to 32 weeks paid leave) and two childcare days/child/year until age 7

Deadline to apply; 20th February 2025.

Number of fellowships offered: 22
