

INTERNATIONAL PARTNERSHIPS FOR EXCELLENT EDUCATION, RESEARCH AND INNOVATION (INTRAPART)

The Research Council of Norway and the Directorate for Higher Education and Skills have announced a new call under the INTPART programme, where India is one of the potential partner countries along with Canada, Brazil, Japan, China, South Africa, South Korea, and the USA.

Programme Aims:

- Develop lasting international partnerships to enhance the quality of higher education and research in Norway.
- Foster strong links between higher education and research within the partnerships.
- Collaborate with the labor and business sectors to improve quality and relevance, where applicable.

Key Details:

- **Eligibility:** Only approved Norwegian research organizations can apply. Projects must include a partner university, university college, or research institution from a partner country (e.g., India), with a designated local contact.
- **Scope:** The call is thematically open and primarily funds international collaboration activities.
- **Funding:** Up to 5 million NOK (~48 lakh INR) per project.
- **Duration:** 48 months.

Deadline: 30th April 2025
