

L'Oréal India For Young Women In Science Scholarships

2025-26 for UG Students

About The Program

L'Oréal India invites applications for the L'Oréal For Young Women in Science Program 2025-26 from girls who have passed Class 12 and wish to pursue higher education in science. The scholarships will be awarded to promising young women from economically disadvantaged backgrounds. Selected scholars will receive financial aid to cover college fees for Undergraduate (UG)(Science Stream) studies in any scientific field, including Pure Sciences, Life Sciences, Applied Sciences, and more, at a recognized college or university in India. Established in 2015, the program has supported over 550 young women to study in various scientific fields.

Eligibility

- Open to **female students** only.
- Applicants must have secured a minimum of 85% marks in Class 12 (Science Stream).
- Applicants' annual family income should not exceed **INR 6,00,000**.
- Applicants must be pursuing an undergraduate (any year) degree in a science-related field (except those who are in their final year).
- Students from **PAN India** can apply.
- Children of employees of L'Oréal India and Buddy4Study are not eligible to apply.

Note: These eligibility criteria are custom-designed and may be modified at the discretion of the scholarship provider.

Benefits

Fixed scholarship of **INR 62,500**

Documents

- | | |
|--|---|
| <ul style="list-style-type: none"> • Proof of identity and address (Aadhaar card, Passport, Voter's ID Card, etc.) • Self-attested copy of parents' income proof (Any one of the following documents): • An income certificate issued by a Government Body • Salary slip issued by the permanent employer • Form 16 (Income Tax Return form) • Photo of Class 10th and 12th original marksheet | <ul style="list-style-type: none"> • Available semester/year marksheet • Proof of admission at current institution (Admission Letter/Institution ID Card) • Expenses receipts to be taken for the current academic year • Certificates for science-related extracurricular activities (if applicable) • Statement of Purpose (SoP) • Recent passport-sized photograph |
|--|---|

Note: If the result of the last semester is awaited, then the mark sheet of the preceding semester will be considered.

How can you apply?

- Click the 'Apply Now' button below.
- Log in to Buddy4Study with your registered ID and land on the 'Application Form Page'.
- If not registered, register at Buddy4Study with your Email/Mobile/Google account.
- You will now be redirected to the 'L'Oréal For Young Women in Science Program 2025-26 ' application form page.

- Click on the 'Start Application' button to begin the application process, fill in the required details in the online application form, and upload the necessary documents.
- Read the 'Terms and Conditions' and indicate your acceptance to move ahead towards submitting the application, and click on 'Preview'.
- If all the details filled in by the applicant are correctly showing on the preview screen, click on the 'Submit' button to complete the application process.

Note:

The last date to apply for this scholarship is: **03-Nov-2025**

All interested & eligible students are encouraged to make the most of this unique opportunity to build a successful career in science.
