Reliance Foundation Scholar 2022-2023

Reliance Foundation Postgraduate Scholarships aim to enable and propel India's brightest youth, who are uniquely positioned to be the future leaders of tomorrow and to sit at the forefront of India's technologically driven growth, for the benefit of Indian society.

During the 2023-24 academic cycle, the Reliance Foundation Postgraduate Scholarships will support the most exceptional first-year **regular full time** postgraduate students in the fields of Computer Science, Artificial Intelligence, Mathematics & Computing, Electrical and/or Electronics Engineering, Chemical Engineering, Mechanical Engineering, Renewable & New Energy, Material Science & Engineering and Life Sciences through their studies.

Reliance Foundation will provide up to **100 postgraduate scholarships** (up to **Rs/INR 6 Lakhs** each over the duration of the degree)

Reliance Foundation Scholars will also benefit from additional engagement and development activities (including the chance to attend talks and workshops with leading global experts, opportunities to apply for mentoring/internships, volunteering opportunities, a strong alumni network and more). Reliance Foundation Scholars will join a vibrant community of scholars that will be at the forefront of creating and building a new India.

The Reliance Foundation Postgraduate Scholarships will identify and select the best and brightest students in India through a rigorous and competitive selection process. We welcome applicants from all socio-economic backgrounds and scholarships will be granted on the basis of merit.

Reliance Foundation Postgraduate Scholarships

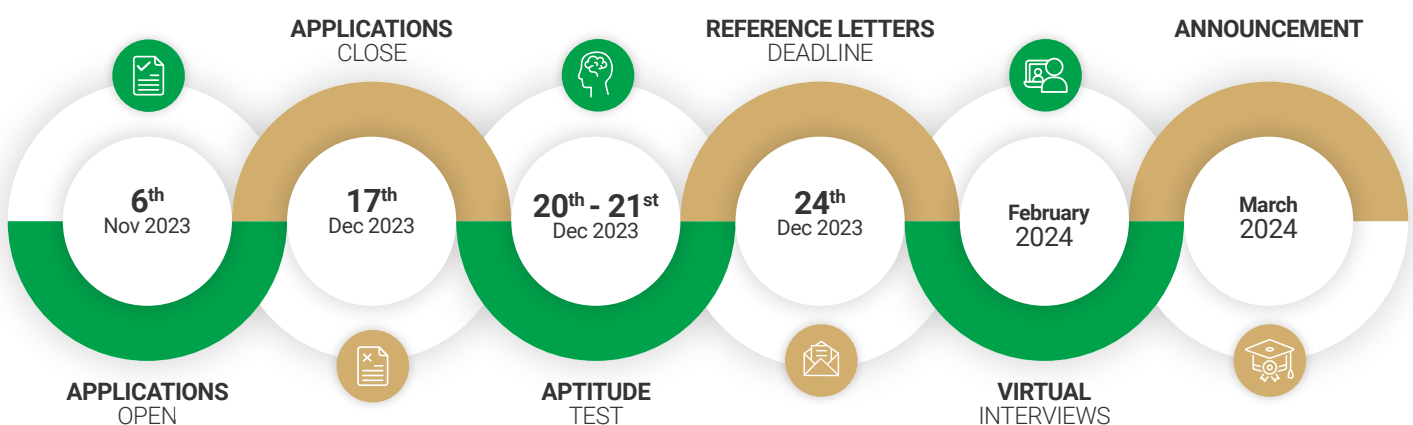

Reference Letters

- ▶ Applicants will nominate 2 referees in the application form, providing name, designation and email ID
- ▶ Referees receive a system generated email directly from Reliance Foundation Scholarships with information on how to submit the reference.
The letter of recommendation must be on the referee's organisation's letterhead, signed, and uploaded in pdf format.
- ▶ Referees will have until 24th December 2023 to submit their references - 1 week longer than the application deadline.

What do the Reference Letters consist of?

- ▶ **One academic reference:** This letter should be from an academic who can comment in detail on your academic ability and how well they think you would do at the university you are applying to.
- ▶ **One character reference:** This letter should be from a person who can speak in detail about your character and comment critically on whether your extra-curricular, non-academic requirements and leadership traits are aligned with the scholarship's criteria.
