SEMESTER EXAMINATION: APRIL 2024
READMITTED STUDENTS

27-3-2024

UG & PG students readmitted for one course (paper) in the 2nd and 4th semesters must apply for supplementary examination offline in the examination helpdesk. They need not have to pay the examination fees but must attach the photocopy of the course fee paid receipt.

UG & PG students readmitted for the entire courses in the 2 & 4th semesters need not apply for the supplementary examination for the semester in which they are attending classes.

UG NEP students readmitted for the entire courses in the 2 & 4th semesters but their original combination has been discontinued, but attending classes must apply for supplementary examination offline in the examination helpdesk. They need not have to pay the examination fees but must attach the photocopy of the course fee paid receipt.

Non-NEP UG students who had attendance shortages in the previous academic years in the 6th semester and did not attend theory classes must apply for the supplementary examination offline and pay the fee for the same.

Non-NEP UG students who had attendance shortages in the previous academic years in the 6th semester and attending theory classes need not apply for the supplementary examination. The last date remains the same as given in the semester examination notification.
