Notice: **Prior Approval Required for Participation in External Sports Events**

All student athletes are hereby notified that participation in any sports event outside the university or college premises – whether at state, national, or club level – requires prior approval from the Physical Education Department. Please note the following guidelines:

1. **Representation Clarification:**

Participation in external events will be considered as representation of the respective club, state association, or organising body, and **not as representation of the university.**

2. **Eligibility for This Facility:**

- This facility of obtaining permission and attendance consideration is generally limited **to students who are part of the university sports teams.**
- However, **students participating in athletics and other individual games need not necessarily be in the university sports team** to avail this facility. They must still follow the approval process detailed below.

3. **Mandatory Prior Permission:**

Eligible students must seek and obtain written permission from the Physical Education Department before participating in any such events.

4. **Submission of Official Letter:**

A formal request must be accompanied by an official letter from the concerned State Association, Club, or Event Organiser, detailing the event dates, venue, and nature of participation.

5. **Approval Process:**

Students will be allowed to participate only after receiving written approval from the department.

6. **Submission of Performance Report:**

post-event, students are required to submit a detailed performance report certified by the coach or event authority, including participation details and results, if any.

7. **Attendance Consideration:**

Attendance for the period of participation will be granted only upon submission and approval of the performance report by the department.

Non-compliance with these guidelines will result in denial of attendance and future permissions. For further clarification, students may contact the Physical Education Office during working hours.
